PROFESSIONAL SUMMARY

Full-Stack and Cloud Developer with 8+ years of experience developing and maintaining large-scale web applications. Strong expertise in React, TypeScript, Python, SQL, Firebase, AWS, and Azure. Experienced in API integration, performance optimization, and cloud-based deployments. Currently expanding cloud engineering skills through hands-on projects and advanced technical labs.

TECHNICAL SKILLS

Frontend: HTML, CSS, JavaScript, React, TypeScript
Backend: Python, REST APIs
Cloud: AWS, Azure, Firebase
Databases: SQL, Firestore
Mobile: Swift
Tools: Git, GitHub, Postman, VS Code

PROFESSIONAL EXPERIENCE

Programmer

Exam Board | 2016 – April 2024

- Developed and maintained nationwide admissions web systems serving high user traffic
- Built and optimized frontend components using modern JavaScript frameworks
- Integrated backend services and relational databases
- Improved system performance and reduced downtime
- Collaborated with cross-functional teams on testing and deployment

Junior Front-End Developer

Peugeot Automobile | January 2015 – December 2015

- Developed responsive web interfaces using JavaScript, jQuery, and Bootstrap
 - Improved user experience and frontend performance
 - Assisted in testing and accessibility enhancements
-

PROJECT & CLOUD EXPERIENCE

- Built full-stack applications using React, TypeScript, and Python
 - Designed and integrated REST APIs
 - Implemented Firebase authentication and real-time database features
 - Deployed applications using AWS and Azure cloud services
 - Configured secure hosting environments and API communication
 - Developed mobile features using Swift with backend integration
-

PROFESSIONAL DEVELOPMENT

April 2024 – Present

- Advancing AWS and Azure cloud engineering skills
 - Building and deploying cloud-hosted full-stack applications
 - Strengthening database architecture and API design
-

EDUCATION

Bachelor of Science in Software Engineering
University of East London, 2014

Mobile Application Development Certificate
Fanshawe College, 2024

Cybersecurity Certification (In Progress)
CDI College
